**SAN LUIS DEVELOPMENT FEE INFRASTRUCTURE IMPROVEMENTS ADVISORY COMMITTEE REPORT FOR FISCAL YEAR 2016/2017**

The City of San Luis adopted its development fee ordinance, ordinance no. 327 on May 28, 2014 and it became effective on August 1, 2014. This report will cover all fees collected and spent under that ordinance during municipal fiscal year 2016/2017 and the Infrastructure and Improvement Plan ("IIP") developed by the consultant TischlerBice for the City of San Luis, dated May 14, 2014, upon which ordinance no. 327 was based.

The San Luis Infrastructure Improvements Advisory Committee finds and reports:

1. The collection of development fees for fiscal year 2016/2017 are reflected in the report of the Finance Department of the City of San Luis as attached as exhibit A, which by this reference is incorporated as though set forth again in full.
2. The expenditure of development fees for fiscal year 2016/2017 are reflected in the report of the Finance Department of the City of San Luis as attached as exhibit B, which by this reference is incorporated as though set forth again in full.
3. As this is the third year the fees have been implemented, there are no perceived inequities in either the IIP or the imposition of fees.
