RE: LOCAL TRANSPORTATION ASSISTANCE FUND (LTAF)

The Local Transportation Assistance Fund (LTAF), created by the Legislature in 1981 and amended in subsequent sessions, continues to be an important source of funds for cities and towns. To be eligible for funds in fiscal year 1995, an application must be submitted to the Arizona Department of Transportation (ADOT) prior to June 20, 1994. A sample application is attached.

Eligible expenditures of LTAF monies are as follows:

Cities/towns with populations greater than 300,000 must spend their funds for public transportation operating and related capital purposes. Those cities/towns with populations less than 300,000 may use their funds for any transportation purpose, including public transportation, operating and related capital purposes.

If the LTAF distribution in a fiscal year reaches a total of \$23 million, a city/town may authorize, by resolution, the use of up to ten percent of Local Transportation Assistance Fund monies for cultural, educational, historical, recreational or scientific facilities or programs, or for nonresidential out-patient programs or services for developmentally disabled persons. If expended for such a non-transportation related purpose, the LTAF monies must be matched equally by non-public monies received by the city or town and expended for the same purpose.

State statutes require that your application be received by the Arizona Department of Transportation prior to June 20, 1994 to be eligible for these funds. Certification to the State Treasurer will be made on July 5, 1994. Applications should be mailed, as soon as possible, to:

Arizona Department of Transportation  
Transportation Planning Division  
206 South 17th Avenue, Mail Drop 310B  
Phoenix, Arizona 85007

For further information on the LTAF program, please refer to Arizona Revised Statutes 28-2601 through 28-2603 or call Jess Jarvis at 255-8144.

Sincerely,

  
LARRY S. BONINE
