Re: Designating the City of San Luis as a "COLONIA"

Dear Board Members:

The City of San Luis, Arizona respectfully requests that the Yuma County Board of Supervisors designate the City as a "COLONIA".

This designation will make our City eligible for U.S.D.A. and other agencies funding. With these major funding sources, the City could enhance our quality of life for all our citizens and assist in infrastructure development. We are pursuing all funding availability to accommodate our growing demands and the designation would surely assist this area.

Attached is a copy of a recent resolution that was passed where the City fathers designated this area as a "COLONIA". Thanks for your affirmative consideration on this matter.

Sincerely,

Victor M. Stevens
City Manager
