**Whereas;** the citizens of City Of San Luis rely on local government to experience a high quality of life in our community; and

**Whereas;** local governments around the State of Arizona work 24 hours a day, seven days a week to deliver city services such as fire, police and emergency medical services to create safe communities; and

**Whereas;** the methods of funding these vital city services are not always clearly understood by citizens; and

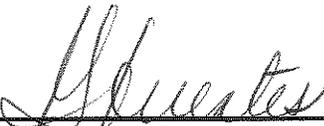

**Whereas;** it is one of the responsibilities of city officials to ensure that legislators, media and citizens understand their local government through open and frequent communication using various avenues and means; and
