**USER AGREEMENT AUTHORIZING THE CITY OF SAN LUIS TO PARTICIPATE
IN THE JOINT USE OF THE 800/700 MEGAHERTZ REGIONAL RADIO SYSTEM**

WHEREAS, on October 3, 2005, the City of Yuma and the County of Yuma entered into an Agreement for the joint procurement, maintenance, operation, and use of a 800/700 Megahertz (MHz) Trunked Radio System referred to hereafter as the Yuma Regional Communications System (YRCS); and

WHEREAS, the Agreement also provides for other Tribal Nations, cities, and agencies to join in the use of the system; and

WHEREAS, the Agreement also provides for the establishment of By Laws by the YRCS for management and oversight of the system; and

WHEREAS, the City of San Luis desires to participate in the joint system use; and

WHEREAS, there is a compelling interest in developing and ensuring a coordinated, effective and efficient radio system for law enforcement, fire and emergency medical rescue, emergency management services, and other services provided by the parties within the Yuma County area; and

WHEREAS, it is in the public interest and benefit to the public safety, health and welfare of the citizens of the City and County of Yuma and City of San Luis to jointly use the new YRCS;

NOW, THEREFORE, in consideration of the terms and conditions contained herein, the City of San Luis agrees as follows:

To become a user of the system under the terms and conditions established by the IGA for the Joint Use of the 800/700 Mega Hertz Regional Radio System dated October 3, 2005 and by the YRCS By Laws as established by the YRCS Council.

Upon approval by its Governing Council and payment of pro rata fees, the City of San Luis, shall become an authorized user of the YRCS system.
